Socio-economics - Mogear fishermen - Kodavur Village - Udipi taluk, Temperance Hall - Alienation of land etc. for -------

In G.O.No. 2096 Mis. Revenue, dated 27th August 1920. the Government sanctioned the alienation of S.Nos. 211/1-1-1 and 211 1-H in Kodavur village in favour of "The Kodavur Mogears" Co-operation Society Ltd. The members of this Society have since propo to organise a Society called "the Yelloor Hadinalk Patna Mogavee Abivradhy Samaj" for the benefit of all the Mogears living in the Udipi taluk and it has been registered under Act XXI of 1860: As this new society will be responsible for the construction and maintenance of the proposed hall, the members request that the land -- S.Nos.211/1-1-1 and 211/1-H may be alienated in its favour. I - recommend this request.

2. The cost of the proposed hall is as per estimate Rs.7385/-. The members who are to contribute half of this sum state that they have already collected Rs.3240 and expect to collect the balance viz., Rs.452-8-0 before the end of March 1921.

3. As the members have shown very great interest in the matter as is proved by the large sum contributed by them, I request that the Government will be pleased to sanction the half grant at an - early date.

4. The cost can be met from the Lump sum in the current year's budget.

5. The plan and estimate together with copy of a letter from - one of the members of the Society are here with submitted

I have the honour to submit enclosed a reduced plan and a Revised Estimate as suggested by you for the Udipi Taluk, "Yelloor Hadinaluk Patna Mogaveera Abivradhy Samaj" which I trust will co- mend itself to you.

Endorsement to the Director of Fisheries: No.180 3 II dated 1st October 1920

From the Director of Fisheries: No.895, dated 8th March 1921.

To Deputy Collector:

Para 1 of Director's letter on pp 5-6-C.F.

The proposal to transfer the land from the 'Kodavur Moger's Co-operative Society Ltd'. to the 'Yelloor Hadinalk Patna Mogaveera Abivradhy Samaj' is made probably for financial reasons. The former was presumably unable to raise the required funds which the latter has apparently succeeded. The proposal however means redoing the whole work again by the Revenue department. An extract of the Director's letter and of this paragraph may be sent to that department.

To Deputy Collector:

The plans and estimates have not yet been scrutinised by the Superintending Engineer of the Circle coneerned. Prior to sanctioning building grants it is usual to have the plans and estimates examined by Public Works Department officers. Submitted in this case also the -- same procedure may be adopted. A draft memo to D of is submitted.

2. As proposed in para 1 on page 12 ante an extract of the Director's letter dated 8th March 1921 and of that paragraph may be sent now to the Revenue Department for necessary action.

To Secretar;

This file was given to me by the Deputy Collector Superintendent Development Department pointing out that the draft at page 11 C.F. does nc embody Secretary's direction above that a formal relinquishment should be obtained. This omission was due to the clerk taking upon himself to issue the draft originally put up without noticing Secretary's note. I have obtained his explanation and shall deal with it separately. It is now proposed to issue a fresh G.O. in substitution for the one already issued. This is the usual practice in such cases.
